CANDY GLOSS DEEP GLOSS	
100% PHYSICAL REPARABLE COATING BASE Hard Resin Clear Coat	100% CHEMICAL hybrid polysilazane coating
Durezza / Hardness	4H Pencil
Resistenza alle abrasioni / Scratch resistance	•••••
Resistenza al chimico / Chemical resistance	> 90 lavaggi up to 13pH
Resistenza al calcare / Water spot resistance	•••••
Capacità autopulente / Self cleaning	•••••
Resistenza al calore / Temperature durability	<200°C
Protezione raggi UV / UVA protection	•••••
Consumo prodotto ml/m2 / Consumption ml/m2	
Gloss Effetto / Gloss effect	Deep
Spessore dello strato di coating / Coating thickness	1000 - 2000 nm
Vernice auto e moto / atomotive and motorcycle paint	Compatible
Plastiche / Plastic	Compatible
Metalli - metal	Compatible
PPF - pellicola antistone	X
Vetri e cristalli - glass	X
